**OUTER BURIAL CONTAINER PRICE LIST**  
**EFFECTIVE SEPTEMBER 1, 2009**  
**DISCLAIMER OF WARRANTIES**

Groce Funeral Home makes no representations or warranties regarding outer burial containers. The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the express written warranties, if any, extended by the manufacturer thereof. No other warranties, including the implied warranties of merchantability or fitness for a particular purpose, for a particular product are extended by the seller. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
